Overview

Oberlin Farmers Market (OFM) has a long tradition of bringing to its customers fine locally produced produce, meats, and honey as well as locally made goods. We want to bring to shoppers the best local farm fresh produce and products that Northern Ohio has to offer.

The Oberlin Farmers Market Association (OFMA) seeks to improve the quality of life in the Oberlin area by providing locally grown, fresh, high quality produce and farm fresh products in a social environment. OFMA provides market vendors an economic opportunity, a chance to showcase produce and products, a venue to educate people about the benefits of preserving local agriculture and a place to speak about the benefits of consuming and using locally grown produce and products. OFMA will strive to operate a producers-only market (with certain limited exceptions). Market Vendors are the growers and/or producers of the products they sell (See Produce Sourcing Guidelines).

Hours of Operation

Every Saturday 9:00 am to 12:00 pm – mid-May through mid-October.

The Oberlin Farmers Market (OFM) is located in the parking lot between the Oberlin Public Library and the Oberlin Police Station at 69-85 South Main Street, Oberlin, Ohio. It operates rain or shine – **attendance is expected even in inclement weather!**

Applications

Applications for each season will be accepted between February and March each year. The application period may be extended beyond March when necessary. The Board will make every effort to finalize vendor decisions by mid-April.

Applications will be accepted throughout the market season depending on space. Anyone submitting an application after available booths have been filled will be placed on a waiting list. If a booth becomes available, applications placed on the waiting list will be reviewed in the order in which they were received. When submitting an application, applicants agree that decisions are made by the Application Review Committee and the OFMA Board.
